

2023 Corporate Passes

Corporate Passes are ideal for those companies looking to bring out more than four players on any given day. Up to 12 passes per pass-holder may be used on any day, and upwards of 12 may be authorized at the discretion of the Head Professional. As a result, passes offer the greatest freedom of distribution and booking for a pass-holder's clients and customers. First time corporate pass-holders are required to purchase four shares and a corporate initiation fee.
